

## **Lessons Learned About God, Life, and Man**

5. Christians who live sinful lives will suffer loss of rewards in Christ's Kingdom, including the immoral, envious, and anyone who puts anything before God (and not just drugs but other things like love, indifference [God told you to make disciples (Matthew 28:19-20), are you?], or even ministry), 5:5.
6. Don't be fooled, God punishes sinners, including Christians, 5:6.
7. You used to be blind to the darkness you lived in, but now you are surrounded by Jesus' light. Shouldn't your life reflect that? That is, shouldn't your life look like someone who's been taught by Jesus how to live, like someone who's constantly surrounded by His guiding light, who always does things Jesus' way instead of his/her own way or Satan's? 5:8-11.
